

Mr. Nobody

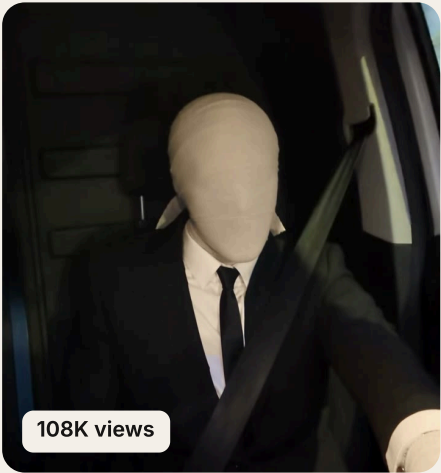

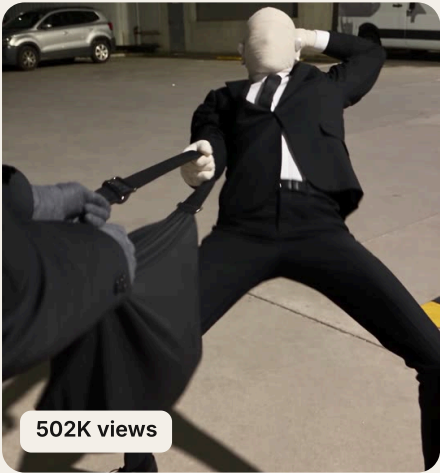

A faceless AI character in a black suit, his head wrapped in gauze. He remakes the videos everyone is watching, often with his evil twin, **Mr. Somebody**. Light, funny, a little creepy, never gore. Always labelled as AI.

WHO WATCHES

WHERE

Sponsored video

Your product or brand inside a Mr. Nobody video, made for you and posted on [@mrnobody.irl](https://tiktok.com/@mrnobody.irl).

The twins

Mr. Nobody and Mr. Somebody together. Our best format for Halloween and launches.

Content only

We create the AI video, you post it on your own channels. Usage rights included.

Paid partnerships only

Rates on request. Every sponsored video is marked as an ad and as AI-generated. Mr. Nobody never shows a face, never uses a real person's likeness.
